ARTIST

WHO AM I?

Born in Kingston, Jamaica, Derajah is a roots reggae artist known for his soulful voice, spiritual depth, and dynamic versatility. Blending traditional Rastafari influences with modern reggae sounds, he delivers music that is both conscious and emotionally resonant.

Raised in a musically rich environment, spanning church, sound systems, and Rasta gatherings, Derajah developed a unique style that moves seamlessly between chanting, singing, and ragga toasting.

CAREER HIGHLIGHTS

- Mentored and produced by reggae legend Sugar Minott
- Member of Inna de Yard alongside icons like The Congos and Earl Chinna Smith
- International touring across Europe (2009–2010)
- Over 100 live performances worldwide
- Music featured in films including Océane and Blue Caprice
- Collaborations with international artists and producers including Tom Fire
